12. PWM welcomes all applications to our programs. While recognizing that the identity of each person is fundamentally plural and multidimensional, we strongly encourage applications from artists who are: Indigenous (First Nations, Métis, and Inuit), Black, POC, racialized (including recent immigrants), 2SLGBTQQIPAA+, neurodivergent, disabled, living with chronic illness and/or chronic pain. PWM is strongly committed to supporting a wide range of cultural identities and lived experiences, therefore we encourage applicants to self-identify in their application if they are comfortable doing so.
